*about*

The Dances of Universal Peace are spiritual practice in motion. Drawing on the sacred phrases, scripture, and poetry of the many spiritual traditions of the earth, the Dances blend chant, live music and evocative movement into a living experience of unity, peace and integration.

---

As you see in the photo above the dances are performed in a circle & the choreography is very simple.

If you are not a dancer - don't worry!

This is not the typical dancing we are used to think of. You will be taught very simple, easy to follow steps and gestures. Do you have children? Bring them along! They will love it!
