Spiritual & Ancestral Wisdom (ICSAW)

Born Healer, Earth Custodian & Spiritual Guide:  
Offering Consultations & Long Distance Healing

Adam “Yellow Bird” DeArmon has worked for the last 28 years with Indigenous Elders around the world to bridge the past with the future through public events, conferences, and personal exchange. His goal has, and continues to be, the synthesizing of the wisdom from our ancestors with modern technology to create a better world. In 2007, Adam was requested by the Continental Council of Indigenous Elders and Spiritual Guides of the Americas to continue their work in South America by bringing it to North America. With the blessings of these Elders, Adam founded and produced the Eagle Quetzal Condor Confederation Gatherings, in efforts to continue their goals through a variety of educational outreach opportunities for all to attend.
