

ABOUT

STEVE KREJCIK

Steve has been a dedicated student and influential teacher in the realm of human transformation for over five decades. As the Director of the [Coptic Fellowship](#), he embodies the roles of a leader, minister, teacher, and healer. His multifaceted expertise includes being an Advanced Master Shaman Practitioner, a Certified Hypnotist, and a published author of insightful works.

As the visionary founder of Grey Wolf Healing Therapies ([GreyWolfHealing.com](#)), Steve has positively impacted the lives of countless individuals, guiding them through the intricate process of clearing emotional and energetic roadblocks. He adeptly utilizes the profound techniques of the Q'ero Shamans of Peru, facilitating profound healing and personal growth for those in need. Steve's philosophy revolves around the belief that our ultimate aim in life is self-awareness. He passionately advocates that our spiritual evolution is best measured by the depth of inner peace, joy, and love that we both experience and radiate to the world.
